

Basic ECG Interpretation Courses For Healthcare Providers

Course Description:

The Basic ECG programs taught by Life Support Associates are designed to meet the needs of medical professionals who have never taken organized ECG instruction. The course is also ideal for the professional who may not have used their skills in some time and need a basic level refresher program. The course assumes no previous knowledge or experience. The course is specifically designed to prepare participants to successfully interpret ECGs as part of an AHA ACLS program or in clinical practice.

Objectives:

Successful participants will be able to:
Demonstrate the ability to correctly identify Level I, II, and III arrhythmias.
Demonstrate recognition of major life threatening rhythms.
Demonstrate understanding of the rules and mechanisms of common arrhythmias according to pacemaker sites

Prerequisites:

None.

Completion Requirement:

Course participants not able to complete the course schedule in the time frames specified may be asked to complete the course at another location and date. **Please arrive on time!**

Completion Certificates and A.H.A. Cards:

Course Completion Certificates will be issued - on site - at the completion of the course to those participants who have completed all requirements. Those students who are incomplete will receive a certificate of attendance until the deficiencies noted are corrected.

Completion Guarantee:

It is the goal of our instructors to help all participants successfully complete the course. **We guarantee that you may repeat the course, if necessary, at no charge.** Course completion must be scheduled and completed within three months of the original course date. We want you to succeed. We depend upon your goodwill and referrals.

Fees:	Nurses - Allied Health	\$ 175.00
	Physicians, PA's	\$ 175.00
Text:	LSA ECG Workbook (Mandatory)	\$ 65.00

Registration Information:

Registration is limited! Early registration is encouraged to allow adequate time for pre-course study. **DO NOT WAIT** until the last minute, **REGISTER EARLY - HAVE TIME TO STUDY!**

Phone Reservations:

Phone reservations are encouraged, and may be made prior to mailing your registration form to Life Support Associates. Phone reservations will hold your space for ONE WEEK until you remit your course fees to confirm your reservation and receive your study materials. Visa, Mastercard, and American Express cards are accepted for payment of fees and for textbooks. When fees are paid by credit card over the phone, materials can usually be shipped by USPS Priority Mail the same day. Federal Express Next Day Service will result in additional charges if requested by the participant.

Enrollment Confirmation:

Enrollment is confirmed by payment and receipt of study materials.

Materials will be sent upon receipt of the following:

1. A completed-signed enrollment form with payment.
- (or)
2. Registration by phone with Visa or Mastercard.

Prerequisite - Current Textbooks:

All participants attending the course must have the current Basic ECG Workbook which may be obtained from Life Support Associates. Students will not be allowed to participate in the course without the required workbook.

Cancellation / Refund Policy:

All cancellation requests must be received in writing 7 days prior to the start of the course. Registrations received after this date will not be eligible for a refund. All cancellation refunds granted will be subject to a \$45.00 cancellation fee to cover handling, shipping, and cancellation costs. No refunds will be issued after the start of a course, no exceptions.

Transfer / Substitution Policy:

Transfer or substitution requests must be received in writing 7 days prior to the start of the course. Registrations received after this date will not be eligible for a transfer or substitution of participants. Requests will be subject to a \$25.00 transfer fee and subject to space availability at the discretion of Life Support Associates. Transfers must be completed within three (3) months, no exceptions.

Tax Deduction of Expenses:

An income tax deduction may be allowed for expenses of education (including transportation) undertaken to maintain or improve professional skills (see Treas. Reg. 1.162-5, Coughlin vs. Commissioner 203 F.2d 307). Meals (80% of the cost) and lodgings are deductible if the business trip takes the taxpayer away from his home overnight (see IRC 162(a)(2)). Please contact your financial or tax planner regarding the applicability of these regulations to your individual tax situation.
